

SATS Results for Purbrook Junior School 2018

Please find below the 2018 SAT results for Purbrook Junior. The table shows children who are working at age related expectations (ARE).

In KS2, the papers are marked externally, with no teacher assessment involved.

Each child will be awarded a raw score and a scaled score, and receive confirmation of whether or not they achieved the national standard ('NS' means the expected standard was not achieved; 'AS' means the expected standard was achieved).

Please note that schools are free to report SATs results as they choose, so as a parent you might be given their scaled score or a code (or both); you are unlikely to be told your child's raw test scores.

The list of **KS2 SATs outcome codes** in full is:

- **AS:** the expected standard has been achieved
- **NS:** the expected standard has not been achieved
- **A:** the child was absent from one or more of the test papers
- **B:** the child is working below the level assessed by KS2 SATs
- **M:** the child missed the test
- **T:** the child is working at the level of the tests but is unable to access them (because all or part of a test is not suitable for a pupil with particular special educational needs)

The **range of scaled scores available for each KS2 test is the same, this year and in future years:**

- 80 is the lowest possible scaled score
- 120 is the highest possible scaled score

A scaled score of 100 or more means that the child has met the expected standard in each test; a scaled score of 99 or less means they haven't reached the government-expected standard.

The results in the table below show the attainment of Purbrook Junior School children compared to the national average and the Hampshire average.

Purbrook Junior School SAT Results 2018

	Purbrook Junior School	National	Hampshire
