

Impact of Pupil Premium for the academic year 2013 -2014

We closely monitor the impact of funding received for our pupil premium pupils. One way of doing this is to look at the attainment and progress of specific groups of pupils who fall under the Pupil Premium umbrella.

In line with Government guidelines, Purbrook Junior School categorises the groups of pupils in the following way:

- Pupils who are currently entitled to free school meals (FSM) or pupils who have been eligible for free school meals in the last six years (Ever 6) form one group.
- Pupils who have a parent currently in the Armed Forces (Army, Royal Air Force or Royal Navy) or who have been a member of the Armed Forces within the last 4 years (Ever 4) form a group.
- Pupils who have been 'in care' or are currently in care (Looked After Children) and pupils who have been legally adopted on or after 30th December 2005 form a group.

FSM or ever 6 pupils

Our non-SEND (Pupils who do not have special educational needs or a disability) FSM/Ever 6 pupils achieve well. Their attainment was in line with the National Average in reading and maths at level 4+ and level 5+ reading. 84% of these pupils attained a level 4 in reading, writing and maths. 85% made 2 levels of progress in reading and maths and 100% in writing. The percentage of non-SEND FSM/Ever 6 pupils making 3 levels of progress in reading and maths was stronger than the cohort.

31% of FSM/Ever 6 pupils were also identified as having a special educational need or a disability. FSM/Ever 6 pupils supported at School Action (3 pupils) achieved a group APS score that fell below the National Average in all three subjects, however they all achieved 2 levels of progress in maths with one of these pupils making 3 levels of progress in reading and maths. FSM/Ever 6 pupils supported at School Action+ attained an APS score that also fell below the National Average in all three subjects. All three pupils made two levels of progress in writing and two of those of those pupils made two levels of progress in reading.

Services pupils.

Our service pupils achieve well. Their attainment was above the National Average in reading, writing and maths at level 4+, level 5+ and level 6.

Service pupils' attainment at level 4+ and level 5 were above the rest of the cohort in reading, writing and maths.

100% of pupils attained a level 4 in reading, writing and maths. 60% attained a level 5 in reading, writing and maths.

100% of service pupils made 2 levels of progress in reading, writing and maths. This was stronger than the cohort.

The percentage of service pupils making 3 levels of progress in writing and maths was stronger than the rest of the cohort and matched it in reading.

This validates the effective use of pupil premium funding for this group of pupils.

Post Looked After Child/Adopted pupils.

Our Post Looked After Child/Adopted pupils achieve well.

Their attainment was above the National Average in reading, writing and maths at level 4+ and level 5+. Their attainment at level 4+ and level 5 were above the rest of the cohort in reading, writing and maths.

100% of pupils attained a level 4 in reading, writing and maths. 50% attained a level 5 in reading, writing and maths. This was stronger than the cohort

100% of service pupils made 2 levels of progress in reading, writing and maths. This was stronger than the cohort.

100% of pupils made 3 levels of progress in writing and maths.

Attainment and Progress Review 2014

Please note for data purposes the group called pupil premium includes: Free School Meals, Ever 6, Service pupils. Looked After Children and Adopted children.
