Dear Parents

## The School Food Plan: Milk – and the revised food-based standards

From 1<sup>st</sup> January 2015, schools across England were legally required to ensure milk is made available during the school day to pupils who want it. The actual requirement is as follows:

*“Lower fat milk or lactose-reduced milk must be available for drinking at least once per day, during school hours.”*

### Cool Milk

To comply with this requirement Purbrook Junior School has signed up to a milk scheme with Cool Milk. The scheme is available to all of our pupils and I would like to invite you to register your child. School milk is subsidised for pupils aged five or older at around £15.00 a term (see paragraph below for children entitled to free school meals).

Each pupil that registers with Cool Milk will receive a carton of semi-skimmed milk everyday, which is delivered fresh and chilled to the school. The milk will be available during the mid-morning break. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. Find out the top ten reasons to drink school milk at [www.coolmilk.com/whyschoolmilk](http://www.coolmilk.com/whyschoolmilk)

### How to register

Simply register at [www.coolmilk.com](http://www.coolmilk.com). Shortly after registering you will receive a payment request from Cool Milk. You can pay Cool Milk either online, over the phone, at a local PayPoint or by cheque in half-termly, termly or annual instalments. Please pay by Tuesday 5pm for your child’s milk to start the following week. **Please note that the school does not administer the Cool Milk scheme and is therefore unable to accept payments.**

### **Children entitled to Free School Meals**

*For children eligible for Free School Meals, milk will be offered free of charge, although this must be requested by completing the tear-off slip below.*

If you have any questions regarding school milk please visit [www.coolmilk.com](http://www.coolmilk.com) or contact Cool Milk directly on 0844 854 2913.

Yours sincerely
