

Purbrook Junior School

BLENDED LEARNING DECISION PATH OVERVIEW

What if my child is ill but has NO Coronavirus symptoms?

Follow the usual attendance procedures of informing school.

What if my child has got Coronavirus symptoms?

When you feel that your child is well enough to access home learning, then they can access their lessons via Google Classroom. Learning will be uploaded by 8.45am the following day so, for example, if your child is absent from school starting on a Wednesday, the learning for Wednesday will be available on Thursday morning.

What if I have been contacted through Track and Trace and my child has to self isolate for 14 days ?

Your child can access their lessons via Google Classroom. Learning will be uploaded by 8.45am the following day so, for example, if your child is absent from school starting on a Wednesday, the learning for Wednesday will be available on Thursday morning.

What happens if a year group bubble has to self-isolate?

Learning will continue, using Goggle Classroom - and children will need to complete the work and upload it onto Google Classrooms on a daily basis just as if they were in the classroom. Teachers will upload a mix of written, audio and video instructions to explain tasks where appropriate. **It will be an expectation that all children will log on and access the work.**
