iPAD LOAN HOME SCHOOL AGREEMENT

October 2020

As you will be aware attendance at school is now compulsory, and yet we live in a time where children may be absent from school due to self-isolation or a class bubble having to close for 14 days. The Government have asked that all schools come up with a plan for remote learning and supporting parents at home, if this were to happen. It's important that your child engages with home learning and therefore, in this home/school agreement, we outline the opportunity for you to have an iPad on loan from school.

HOME SCHOOL AGREEMENT

To help ensure that your child has the opportunity to continue their learning at home on line, we will provide you with a loan iPad. This document outlines the terms and conditions of this loan arrangement.

When you have read these sections we invite you and your child to sign the agreement and return it to school. This will help to ensure that we are all working together to achieve success.

Please remember that using an iPad loaned by school is a privilege, not a right, and should be used in a responsible and ethical manner at all times.

BROKEN DEVICE:

Unfortunately, devices on occasion do get broken and this is the procedure should the need arise.

If the device is damaged and a claim needs to be made please bring the device to the school reception along with details of the incident. The school will then log the claim with the insurer and await approval of the claim. Once the claim is approved the school will send the device to the repairer for assessment and repair. Once repaired the device will be returned to the school.

A broken device must be reported straight away as we only have a week's window to claim on the insurance, even if it is during the holidays. All breakages must be reported even if it is a tiny crack in the screen and a form must be completed.

1st Breakage: your device will be returned to you and the insurance will cover the repair

2nd Breakage: you will be responsible for a **£50** charge that will go towards the repair of the device. Payment should be completed through the school and the device will not be sent off for repair until payment has been received.

3rd Breakage: you will be asked to replace the item that you have broken at your cost.

We will not support the following breakages and therefore you will be required to pay for them:

- Deliberate and wilful damage to the device
- Any problems resulting from device that has been 'Jailbroken'

Please sign both copies and return one copy to the school as soon as possible. Upon receipt your loan iPad will be issued
