Headteacher's message

Dear Parents/Carers

It has been a particularly challenging end to this term. We have had further COVID cases within school which has led to the isolation of both staff and children. We have tried all we can to keep the school community safe in the lead up to Christmas. Although it is logistically challenging, and relies heavily on staff numbers, we are hoping to continue with the children working in class bubbles after Christmas. This drastically reduces the amount of children and staff having to isolate if and when a case is confirmed.

POSITIVE COVID-19 TEST RESULTS BETWEEN NOW AND 23RD DECEMBER 2020

If your child receives a positive COVID test result any time from now up until 23rd December, it is imperative that you inform the school so that any close contacts can be informed accordingly. Please email the school on adminoffice@purbrook-jun.hants.sch.uk.

I would like to thank all parents/carers for the support you have shown the school over this past term. The thank you messages we have received over the past couple of weeks have been gratefully received. The children need to be congratulated too on their resilience and positive attitudes during this most challenging of times.

We are now entering the school holidays and I would like to wish everyone a very Merry Christmas and a Happy New Year. Please do take care and keep yourselves safe.

We look forward to welcoming the children back into school on Monday 4th January.

Mr C Williams
Headteacher

REQUEST FROM THE LIBRARY

We have a lot of library books still outstanding from before the first lockdown.

While the children are having their Christmas break, please could I ask that they have a good rummage around at home and see if they can uncover any of them?

We would love to have them back in the library for other pupils to borrow. There are no penalties for late returns, it just helps to keep our system up to date.

Regards
Mrs Sherwood
