4th June – Half-Term
Monday 7th June – INSET
DAY
Friday 18th June – INSET
DAY
Friday 23rd July – INSET
DAY

Headteacher's message

Dear Parents/Carers

COVID

As you will be aware, the Government have recently confirmed the next stages of the road map out of lockdown to take effect from Monday 17th May.

The operational guidance for schools has just been released and we will be reviewing our COVID control measures in response to this next week. In the meantime, please continue with all of the current control measures we have in place, including social distancing and the wearing of face coverings in the school grounds.

We have noticed an increase in the amount of items children are bringing into school from home. Wherever possible, please keep this to a minimum. For clarification, children should not be bringing pencil cases and other resources into school. These are being provided for the children in school. We fully understand that on occasions, children will need to bring a bag/rucksack to school, when for example, bringing a packed lunch, music for their music lesson and perhaps an art shirt. There should be no toys, swapping cards or other gadgets being brought into school during this time.

Thank you for your help with this and your continued support during these times.

Parents' Evenings

Our teachers are looking forward to 'meeting' parents next week in our first ever video parents' evenings. We have been testing our IT systems to ensure that connectivity is as is should be. We have had feedback from other schools who have used the system and it has all been very positive.

Please be aware that appointments booked will last for 9 minutes. This is an automated system which will end the appointments after this time – it is not possible for the teachers to extend the appointments. There will be a countdown timer shown on yours and the teachers screen to show the time remaining. Please remember to log into your School Cloud accounts in plenty of time ready for your appointments.

Thank you

Yours sincerely

Mr C Williams
Headteacher
