Vision, Values and Ethos

During 2016 we have focussed in great depth on our school values. There has been a significant piece of work led by 2 members of staff involving all stakeholders. The work has involved unpicking our school identity and core values – understanding what we truly stand for at Purbrook Junior School. A series of inset days and pupil conferencing led us to think carefully about what we stand for both personally and professionally. The vision, values and ethos encompass British Values and SMSC.

As of September 2016 we will have a vision of ‘Dream Big...’ The vision is about being the best you can be. We want everyone within the Purbrook Community to have a growth mindset and aim high.

Underpinning our vision will be three core values – Respect, Team and Achieve. As a school community we have debated at length the key skills and attributes we wish to support our vision.

These are listed below.

'DREAM BIG' (together)

RESPECT	TEAM	ACHIEVE
MUTUAL RESPECT RULE OF LAW TOLERANCE Kind Pride Polite Manners Self-control Helpful Courteous Self-respect Responsibility	DEMOCRACY Equality Cooperation Confidence Leadership Communication Independence Patience Flexibility Friendship Family/community	INDIVIDUAL LIBERTY Ready to learn Work hard Growth mindset Take risks Self-motivation Inquisitive Resilient Brave/courage Aspire/inspire
Happiness		Safety

As a school we firmly believe that if we are respectful and work as a team, we will continue to achieve and improve even more both individually and collectively. All of our curriculum and philosophies will be driven through the vision and values.
