2. Protect your family and friends - having the vaccine will help protect more vulnerable friends and family

4. It is better than having the flu - the nasal spray helps protect against flu and has been given to millions worldwide

Year 5 – Preloved items for Calshot available!

Should you be interested in the many preloved items that we have ahead of Year 5's residential to Calshot, please do pop into school to take a look!

Items will be available for **viewing and free collection between 3:20-3:45pm on Monday 16th October**. Please visit the PJSA team in the school hall during this time. **The external hall doors (from the playground) will be open for team members to welcome you in.** Coats, waterproof jackets, sweatshirts, hoodies and more... Why not take a look?

Breaktime Snacks

Please can I ask that you provide a healthy breaktime snack for your child. Some children find the gap between breakfast and lunch too long and a quick snack can help boost their concentration for the rest of the morning. Options can include: fresh fruit, raisins, muesli bars, Frubes (yoghurts in tubes), cheese strings, etc.

Our tuck shop is open every day and can provide apples, oranges, muesli bars, Frubes, fruit juice and milkshakes. Prices range from 20p to 50p per item.

Dangerous parking/waiting outside school

I have been made aware that some parents are parking dangerously when dropping off or collecting children. Please can I ask you all to adhere to the zig-zag lines and the single yellow lines outside the school (Elizabeth Road/Woodlands Grove) so that children crossing the road are able to see traffic approaching. **It is everyone's responsibility to ensure the safeguarding of our children. This includes responsible driving and parking too in and around the school community.** Thank you

Kind regards
